

► **Customised Lighting**

All our lighting is tailored to your wedding theme. From a vibrant nightclub feel to a soft, romantic glow with projected love hearts, we create the perfect atmosphere even colour-matching your bridesmaids' dresses

► **First Dance**

Add elegance and magic to your first dance with a White Spotlight (or colour of your choosing) and Starlit effect for a truly unforgettable moment

► **Club Lighting**

As the night goes on, so does the party vibe. Our lighting can change into club lighting with lights tracing the room. Creating the ultimate party atmosphere!

► **Seasonal Lighting**

We can adapt your lighting to suit any season, from warm autumnal reds and oranges to festive Christmas tones with Snowflake patterns

Every season brings its own unique atmosphere to a wedding

From bright spring celebrations and warm summer evenings to rich autumn colours and winter weddings

I can tailor the music, lighting and overall feel of your evening to perfectly complement your chosen season

Your lighting can be matched to your wedding colours, venue and decor

Helping to transform the room as daylight fades and the evening celebrations begin. Everything is designed around creating the right atmosphere for you and your guests
