

# Evening Wedding Package

## 5 HOURS

- **Memorable First Dance**
  Under a White Spotlight and Starlit effect or Love Heart Lighting pattern

- **Unique Personalised First Dance** (upon request)
  We can also craft a truly bespoke personlised "First Dance" song. This can be created by seamlessly blending two songs or producing an exclusive edited version of your "First Dance" tailored perfectly to you. Alternatively, we can transition a slow song into a more upbeat verstion to start the evening celebrations

- **Personalised Playlist**
  Carefully curated by you and your guests. We will also be taking song requests throughout the evening. You can also inform us in advance of any songs you wish to include

- **Fully Customised Lighting**
  All lighting is expertly customised to complement your wedding theme colours or bridesmaids' dresses, creating a truly bespoke atmosphere.
  Along with an amazing sound system

- **High Quality Wireless MIC**
  For speeches, toasts and formal announcements

- **Entrance Song**
  Prior to the cake cutting and First Dance, we can also provide an entrance song for your grand re-entry into the room
