

About Me

With over 25 years in the DJ industry,
I've had the privilege of providing the soundtrack
to hundreds of unforgettable weddings across
the Lake District and Cumbria.

I'm passionate about creating bespoke
premium wedding entertainment that feels personal
to every couple. From elegant background music
and unforgettable first dances to packed dance floors
and those final songs everyone remembers,
every part of the evening is carefully planned
around you and your guests.

I believe great wedding entertainment is about more
than simply playing music it's about creating
the right atmosphere at the right moments
throughout the day and evening.
Working closely with each couple, I help create
the perfect soundtrack to your wedding day,
tailored to your style, your venue and the
kind of celebration you want to share
with family and friends.

Whether you're planning a relaxed rustic barn
wedding, a luxury country house celebration
or an intimate Lake District gathering,
my aim is always the same
to create a fun, relaxed and memorable experience
that keeps your guests dancing
and talking about your wedding
long after the night has ended.
