

COMING 2027

COLD SPARK

EXPERIENCE

Add an unforgettable WOW moment to your wedding with our **NEW Cold Spark Machines**

From 2027, I will be offering spectacular Cold Spark Machines as an optional enhancement to selected wedding packages. Perfect for creating those standout moments throughout your evening, from your First Dance and grand entrance to unforgettable party moments on the dance floor

Cold Sparks create an impressive fountain-style effect that looks incredible in photographs and video, adding another level of atmosphere to your celebration

Perfect for your First Dance, grand entrance, cake cutting or a big party moment, creating a spectacular effect for both photos and video. More information, package options and pricing will be announced soon

Subject to venue approval, suitability and availability
