

**With over 50,000 songs to choose from,  
you'll be spoilt for choice!**

Whether you're a confident performer or just fancy having a bit of fun with your friends and family, our Karaoke Package is a fantastic way to add even more entertainment to your celebration

We provide a large 32-inch display monitor, making it easy to follow the lyrics, along with wireless microphones so you're not restricted to standing beside the DJ booth

If you're the entertaining type, you're free to move around the venue, interact with your guests and really put on a show while belting out your favourite songs!

A brilliant addition to weddings during the quieter periods and perfect for getting your guests involved!

Please ask for more details or to add Karaoke to your package
